RIECKE CATI GmbH
Parlez-vous français? (Gifted Linguist // Home Office // any language)

**Job-Beschreibung**
Become an interviewer at RIECKE CATI GmbH - an independent market research company based in Hamburg - and join a worldwide network of experienced interviewers.

We’re looking for employees who conduct telephone interviews in their home offices. It is a project-based freelanced activity.

In this secondary employment, you’ll conduct interviews in the field of market research by telephone. These are not sales pitches. People are questioned about their opinion on products or services, but also political or cultural opinions can be subject of a survey. The working hours are flexible. The payment is based on a fixed hourly rate and varies depending on the qualification. This includes your language skills.

**Anforderungsprofil**
This is what you should bring...
- You are a native french (or any other language) speaker or speak at a native speaker level!
- You are in the position to accept assignments on an independent / freelance basis!
- You have access to a computer (Windows)
- You have a DSL connection available
- You have a headset (preferably USB)
- You are reliable, communicative and act professionally on the phone
- At best, you even have experience as an interviewer and you already worked for other institutes

For application just call us. Tel. – 040 22 86 86 0 86.

You’ll reach us Monday – Friday from 9 am until 4 pm. or check our website (www.riecke-cati.de).

We look forward to welcoming you to our team.
