Become a Uniper Trainee!

Uniper Trainee Program – Intake April 2021 (f/m/d)

Take part in our Trainee Program - Explore our company and make the next step in your career!

What awaits you?
As a Graduate in the Trainee Program, you have the opportunity to get to know different divisions and to gain valuable experience. The 18 / 24-month program based in Germany with a combination of pre-defined and flexible stations also includes the opportunity to gain international experience and work in various business units. The program will give you in-depth insight into our business and help you to explore your strengths. You will also have the chance to bring in and enhance your social and team work skills. Individual mentoring and a buddy from day one will give you the best possible foundation for the next step in your career at Uniper.

What you should bring along?
- A successfully completed degree (Bachelor and/or Master)
- Relevant internships and/or working student placements
- Exposure to foreign cultures is mandatory, experience abroad is a plus
- A strong will in taking over responsibility and improving structures and processes
- Very good interpersonal communication skills
- Very good written and verbal English language skills
- German language skills might be required for certain job functions (please check respective job ad)

For April 2021 we are looking for YOU to join the following Trainee Tracks:

- Asset Operations Hydro (in Landshut)
- Asset Management - Strategy & Development
- Digital Finance
- Digital / IT Track
- Operational Excellence
- Risk Management
